

1. I am writing you because I do not want K-love taken off the air and switched to LPFM. It serves the local community. If they ever need help, all they have to do is call or email 2. If K-love is displaced by an LPFM, many people will not be reached. 3. If you are not familiar with K-love, you do not know what they do for the community and for the world. The service provided is in the public interest. Lives are spared, souls are saved, hearts are healed. All day long we get to listen to Positive, Encouraging Music, with no commercial interruptions, and no fowl language to offend us. K-love is listener supported.

Thank you for your time. James and Paula Wallace
